

Subject: Letter of Commendation – Rithika Gas Tech

We are pleased to certify that Rithika Gas Tech, a specialist in reticulated piped gas systems, has successfully installed and commissioned systems for the following projects:

- 1.Sreshta Narayanan
- 2.Sreshta Ayodhya
- 3.Sreshta Padmalaya
- 4.Sreshta Janani
- 5.Sreshta Sri Ganesh

Technical Excellence: The installation process was executed with a high degree of professionalism, utilizing skilled technicians from the initial design and routing phases through to final commissioning.

Quality Standards: All materials, including pipes and accessories, meet rigorous ISI standards and strictly adhere to the IS 6044 industry benchmark.

Operational Support: Their commitment to a 24/7/365 helpline ensures comprehensive, end-to-end maintenance, facilitating an uninterrupted gas supply for our residents.

Based on their technical expertise and reliable service, we highly recommend Rithika Gas Tech for similar large-scale projects.
